Use of your Security Password

You are responsible for keeping your password and Online Account information confidential. You agree that we are authorized to act on instructions received under your password, and that we have no obligation to verify that the holder of your password is in fact an authorized user of your account(s). If for good reason (such as a long trip or hospital stay) you were delayed from contacting Freedom Bank, the Bank may extend the time period.

Banking Transactions with Online Banking

The following services may be performed with the Online Banking Service:

1. Transfer funds among your checking accounts, savings account and money market account.
NOTE: Because regulations require Freedom Bank to limit preauthorized transfers (including Online Banking Service transfers) the following limitations apply:
 - a. Statement Savings Accounts - You may make no more than six transfers per statement period by preauthorized or automatic transfer or by telephone or through the Online Banking Service. (Effective April 24, 2020 the Federal Reserve Board announced an interim final rule to amend Regulation D to delete the six per month limit on convenient transfers.)
 - b. Money Market Accounts-- You may make no more than six transfers per statement period by preauthorized or automatic transfer or by telephone or through the Online Banking Service and no more than six of these may be by check, draft or debit card payable to third parties. (Effective April 24, 2020 the Federal Reserve Board announced an interim final rule to amend Regulation D to delete the six per month limit on convenient transfers.)

2. New services may be introduced for the Online Banking Service from time to time. Freedom Bank will notify you of the existence of these new services. By using these services when they become available, you agree to be bound by the rules which will be made available to you concerning these services.

Bill Payment Service

The Bill Payment Service permits you to use your Internet-enabled device to direct payment from your designated Bill Pay Account to third parties you wish to pay. Your Bill Pay Account must be a checking account. Through the Bill Payment Service, you can pay bills from your Bill Pay Account to businesses and individuals.

All payments you make will be deducted from the account you designate as your Bill Pay Account for the Bill Payment Service. Any payments you wish to make through this service must be payable in US Dollars to a payee located in the continental United States. We reserve the right to restrict types of payees to whom payment may be made using the Bill Payment Service from time to time. You should not use the Bill Payment Service to make payments to settle securities purchases, payment to interest bearing accounts, tax payments or court ordered payments. Payments to these payees will be your sole responsibility if delayed or improperly processed or credited.

Funds must be available in your Bill Pay Account on the scheduled payment date. If the date you schedule a payment to initiate falls on a non-business day (Saturday, Sunday or Holiday), funds must be available in your Bill Pay Account the following business day (e.g. Monday). After the funds are withdrawn from your Bill Pay Account to make a payment, we may make the payment either by transferring funds electronically to the payee or by mailing the payee a check.

You may choose to schedule a payment to recur in the same amount on a regular weekly, monthly, or semi-monthly basis. When you create a new payee in the Bill Payment Service, it has a temporary status until we have had sufficient time to set up the account and for your business payee to verify information about your account. You should schedule a payment to a new payee at least ten (10) business days before any payment due date, to allow us time to set up the payee and verify information about your account with the payee.

For all subsequent payments, you agree to allow at least three (3) business days for electronic payments and five (5) business days for check payments between the date you schedule a payment to be initiated and the payment due date (this is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). If you do not, you will be responsible for all late fees, finance charges or other actions taken by the payee.

If you schedule your payment and follow all instructions provided, but the payee does not receive the payment in a timely manner, we will work with the payee on your behalf to attempt to have any late fees or charges reversed.

Freedom Bank is only responsible for exercising ordinary care in processing and sending payments upon your authorizations in accordance with this Agreement. We will not be liable in any way for damages you may incur as a result of the circumstances set forth in the heading "LIABILITY" below or for any other circumstance beyond the control of Freedom Bank.

If the session during which you schedule a payment or transfer ends by 3:00 pm, Freedom Bank will be considered to have received it on that day. Otherwise, it will be considered received on the following business day. For all entries using the service, the time recorded by the Online Banking Service controls.

If your Bill Pay Account does not have sufficient funds to make a payment as of the date of the transfer or payment is attempted or scheduled to be made, the transfer or payment will be canceled and no further attempt will be made by Freedom Bank to make the transfer or payment. Freedom Bank will attempt to notify you by e-mail or US Postal Mail, but we shall have no obligation or liability if we do not complete a

transfer or payment because there are insufficient funds in your account to process a transaction. In all cases, you are responsible for either making alternate arrangements for the payment or rescheduling the payment through the Bill Payment Service. In the case of fixed payments, only the payment currently scheduled will be canceled. Fixed payments scheduled for future dates will not be affected.

Payment changes or cancellations should be made through the Bill Payment Service. If certain information that you provided to us when setting up the Bill Payment Service for a payee changes, or if you wish to cancel a bill payment to a payee that you have scheduled, you may edit the payment information or delete the payment online via the Bill Payment Service by following the onscreen instructions in the "Pending transactions" section. If the payment is not listed and you ask us to cancel a payment after it is issued, and we agree to do so, we may charge you a stop payment fee. When a payment is in process or submitted as an ACH payment you will not be able to process the stop payment.

Stop payment orders, whether oral, written or electronic will be in effect for a period of six (6) months. If requested by Freedom Bank, you will confirm any stop payment order in writing. After six months, any stop payment will be terminated and must be renewed in order to continue in effect. Freedom Bank may pay any item that is presented following the lapse of any stop payment order.

Bill Pay daily limitation: \$19,999.99.

Schedule of Fees

Freedom Bank currently offers the benefits and convenience of the Online Banking Service and the Bill Payment Service at no cost. However, Freedom Bank reserves the right to charge a fee in its discretion in the future upon advance notice along with an opportunity for you to terminate the Service at your option in accordance with the procedures set forth in paragraph C of **Term and Termination** below.

Statements

You will continue to receive your regular monthly account statements from Freedom Bank.

Electronic Fund Transfer Provisions for Consumers

- A. Applicability. These provisions are only applicable to online electronic fund transfers that credit or debit a consumer's checking, savings or other asset account and are subject to section 1005 of the CFBP Regulation E (an "EFT"). When applicable, the Bank may rely on any exceptions to these provisions that are contained in Regulation E. All terms that are not defined in this Agreement but which are defined in Regulation E shall have the same meaning when used in this section.
- B. Your Liability. The following determines your liability for any unauthorized EFT or any series of related unauthorized EFTs:
 1. If you notify the Bank within two (2) business days after your Password was lost or stolen, your liability will not exceed \$50.00 or the amount of the unauthorized EFTs that occur before notification, whichever is less.
 2. If you fail to notify the Bank within two (2) business days after your Password was lost or stolen, your liability will not exceed the lesser of \$500.00 or the total of:
 - \$50.00 or the amount of unauthorized EFTs that occur within the two (2) business days; and
 - the total of authorized EFTs which occur during the two (2) days before notification to the Bank, provided the Bank establishes that these EFTs would not have occurred had the Bank been notified within that two-day period.

3. You must report an unauthorized EFT that appears on your periodic statement, no later than 60 days of transmittal of the statement to avoid liability for subsequent transfers. Your liability will not exceed the amount of the unauthorized EFTs that occurred within the 60-day period. You may also be liable for the amounts as described in sections 1 and 2 above.
 4. If the report is made orally, we will require that you send the complaint or question in writing within 20 business days. We will notify you with the results of the investigation within 10 business days and will correct any error promptly. If more time is needed, however, we may take up to 45 days to investigate a complaint or question. If this occurs, we will credit your account within 10 business days for the amount you think is in error. This will allow you to use the money during the time it takes us to complete our investigation. If your complaint or question is not received in writing within 10 business days, we may not credit your account until the investigation is completed. If an alleged error involves an electronic fund transfer outside a state or territory or possession of the United States, the applicable time periods for action by us are 20 business days (instead of 10) and 90 calendar days (instead of 45). If we determine that no error occurred, we will send you a written explanation within three business days after the investigation is complete. You may request copies of the documents that were used in the investigation.
 5. You may notify the Bank by telephone or in writing. Notification by general e-mail to report an unauthorized transaction is not secure and therefore not advised.
- C. Telephone Numbers and Addresses. In case of errors or questions regarding the Online Banking Service, call (201) 599-3000 or write us at: Attn: Deposit Operations Department, Freedom Bank, 99 West Essex Street, 2nd Floor, Maywood, NJ 07607.

We must hear from you at the telephone number or address, listed above, no later than 60 days after we sent you the FIRST statement on which the problem or error appeared. We will need:

1. Your name and account number
2. A description of the error or the transfer in question and an explanation concerning why you believe it is an error or need more information
3. The dollar amount of the suspected error and date on which it occurred.

Electronic Mail

If you send us an electronic message, Freedom Bank will be deemed to have received it on the following business day. We will have a reasonable time period to act on your e-mail.

You should not rely on electronic mail if you need to communicate with us immediately (e.g. you need to report an unauthorized transaction from one of your accounts or to stop a payment that is scheduled to occur).

You agree that Freedom Bank may respond to you by electronic mail with regard to any matter related to the Service, including responding to any claim of unauthorized electronic funds transfer that you make. Any such electronic mail sent to you by Freedom Bank shall be considered received within three (3) days of the date sent by Freedom Bank, regardless of whether or not you sign on the service within that time frame.

There are some exceptions to our liability for processing transactions on your accounts.
1. We will not be liable to you in the following instances:
 2. If through no fault of the Bank, you do not have enough money in your account to make the transfer.
 3. If circumstances beyond our control (such as fire, flood, power outage, equipment or technical failure or breakdown) prevents the transfer despite reasonable precautions that we have taken.

 7. If your transfer authorization terminates by operation of law.
